Looking for the tools to help a behavioral health facility become 100% tobacco-free? We can help! If you or anyone in your networks wants to maximize your chance of getting a scholarship to attend the Breathe Easy NC: Becoming Tobacco Free, please apply by **November 2**.

(Scholarships Available—See Below)

This timely session will assist behavioral health leaders and practitioners to confidently make a smooth transition to becoming 100% tobacco-free as required for the NC Standard and Tailored Plans by July 1, 2022. This includes learning how to best provide evidence-based tobacco use treatment concurrently with mental health and substance use disorder treatment. Hear from both experts and your peers—North Carolina behavioral health leaders and practitioners—and learn from their experiences.

Special pricing is available for NC healthcare professionals. Visit our [website](#) to learn more!
